from 10:00 to 11:30 (door opening 09:50)
CM1 121, EPFL

Mandatory registration: www.venturelab.ch

Dr. Craig H. Barratt joined Qualcomm in May 2011 as President of Qualcomm Atheros, Inc. He served as president and chief executive officer of Atheros, and a director on the company’s board from 2003 until its 2011 acquisition by Qualcomm.

Dr. Barratt previously served as Atheros’ vice president of technology from 2002 until 2003. He holds Ph.D. and Master of Science degrees from Stanford University, as well as a Bachelor of Electrical Engineering degree and Bachelor of Science degrees in pure mathematics and physics from Sydney University in Australia. Dr. Barratt has also earned 28 patents in a variety of wireless and related technologies.
